Greetings!

We've been busy at the Nantucket Inn! Doing what? Planning for the new season – plus the cleaning, painting, hiring, training and more that go into keeping the Nantucket Inn the island's most affordable, value-packed choice.

We added another new shuttle van to our fleet. And we continue the upgrade program to renovate our guest room bathrooms. So your clean comfortable room is waiting, the courtyards are green, the pool is wet, Mom's Breakfast is hot and ready and most importantly – those friendly and smiling faces are along with everything else that goes into keeping the Nantucket Inn, an island favorite.

Throughout this newsletter, you'll find information about almost everything you need to know to plan your next Nantucket vacation. And if you need more information, we're just a click or a phone call away.

And once you have made your vacation plans, we encourage you to book direct with the Nantucket Inn. You will always get the best rate and biggest selection of room types and rates at [www.nantucketinn.net](http://www.nantucketinn.net) or 800 321-8484. Other booking sites can't make that claim. Plus you are dealing with Nantucket Inn staff – we know and understand the complexities of traveling to Nantucket and are here to help.

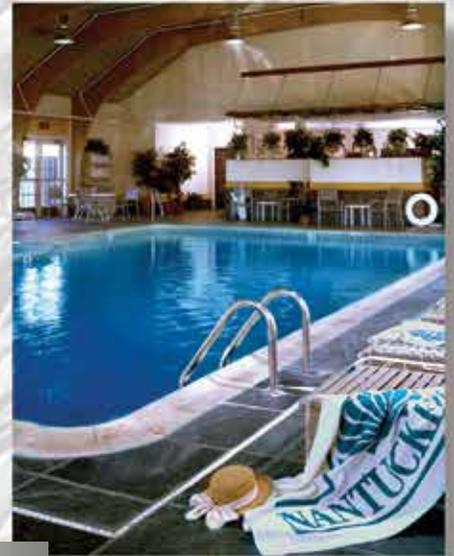

We look forward to your arrival!

Sincerely,

Scott Thomas  
General Manager

*It's Never Too Early to Plan Your Next Nantucket Vacation!*

Off the coast of Massachusetts lies the special island of Nantucket, where history lives and traditions are maintained. Nantucket is a unique and beautiful island, with miles of sandy beaches, deeply wooded moors, colorful cranberry bogs, and an entire ocean beckoning from all sides.

It's also a quaint island, where worn cobblestone streets, lined with the historic residences of whaling captains, lead to one of New England's most picturesque harbors.

And on this special island is an equally special place.  
The Nantucket Inn.

## MOM'S BREAKFAST

AT THE NANTUCKET INN

Your Mom called — she wants to know if you're eating breakfast?

Mom was right.  
Breakfast is the most important meal of the day.  
So start it with us...

**BREAKFAST BUFFET EVERY  
MORNING 7:30AM TO 10:30AM**

### Dear Mom,

**We hear there are no chain restaurants in Nantucket. What will we do? — Carl JR.**

#### Relax Carl!

Start your day with our bountiful Mom's breakfast — from fresh fruit and muffins to fluffy scrambled eggs and the cooked to order waffle station. Early riser's coffee is also available.

After breakfast you'll find Nantucket is home to some of the best food and dining establishments anywhere.

Whatever your taste and no matter your budget, you'll find the spot that is perfect for you and that special someone, the family or even a group. And most are within walking distance of our convenient and complimentary shuttle service.

The Nantucket Inn is pleased to be partnered with some of the island's favorite restaurants including,

**A.K. Diamonds** — Newly renovated and just steps away at 16 Macy's Lane. Serving fine steaks and fresh seafood, all in a relaxed family setting.

**Queequigs** — named for the Moby-Dick character and located in the heart of downtown at 6 Oak Street, an island style bistro featuring American fare with an emphasis on seafood.

**Town** — at 4 East Chestnut Street, adjacent to and sharing the outdoor patio and bar with Queequigs, and featuring a unique global mix of culinary tastes and styles including special sushi rolls.

Afterwards, hop the shuttle back to the Inn & relax with a cocktail or challenge a friend to a game of billiards in our library lounge.

**Love, Mom**

P.S.— *There are no stop lights either!*

*Here's What  
Our Guests  
Are Saying  
About Us...*

...might be my favorite hotel staff I have ever had. The hotel feels small and quaint but has 2 pools, tennis courts, bar, free shuttle service. Everyone was very friendly and accommodating.

I always recommend the Nantucket Inn to my friends. I think the combination of amenities and services can't be beat on the island! We come to the Nantucket Inn for about 10 years in a row now, every summer in August. It is great to see some of the same faces year after year.

*David G., Derby, CT*

Great facilities. Clean. Friendly staff. Great breakfast on site. Middle of island, so close to numerous places. Right on bike path. Great pool. Great shuttle service. I love Nantucket Inn.

*Catherine M., South Dartmouth, MA*

"The Nantucket Inn was a wonderful place to stay and we all enjoyed it immensely. I can't say enough great things about the staff!"

*Deborah P., Via tripadvisor*

The inn was much more than I expected. The rooms were as clean and comfortable as any 5 star hotel. The staff were very helpful.

*Pauline K., Lexington, MAI*

Was a new addition to our tours for Bloom Tours and it was great. Place was very clean, service was great and breakfast was excellent. Great place to stay.

Our recent stay at the Nantucket Inn was like returning to stay at an old friend's house---warm, welcoming and comfortable. The manicured grounds and lovely courtyards were so relaxing to sit in. Mom's Breakfast was delicious and plentiful every morning. We truly believe that the Nantucket Inn is the best place to stay on the island for your money.

*Tom and Arlene P., Hamden, CT*

I had a fantastic time I stayed in the king cottage room it was top notch. Very romantic. The service was outstanding the food was fabulous. The rooms and the lobby the pool area the grounds were immaculate. I have to say it was one of my nicest stays in a long time.

*Gerald B., South Easton, MA*

Fantastic location, great staff, delicious food ....we will be making this our annual family summer vacation spot. We cannot say enough good things about this place!

*Mariella, Via facebook*

Although the Inn was not within walking distance to town or the beach, the Inn offers transport to those places (including the ferry dock) at regular intervals and we found it nice to be able to remove ourselves from the hustle and bustle of town to relax away from the crowds.
