## **Pollard Cocktails**

**Widowmaker:** *Light and spiced rums with our house made hot buttered rum mix, served piping hot with a cinnamon stick. (Widowmaker is a narrow black diamond run that cuts off Lazy M and ends up in The Drain.)*

**True Grit:** *Montana Honey Moonshine mixed with lemon, honey, and hot water – toddy style. (Ride the rope and duck into Headwaters for some of the mountain's steepest terrain.)*

**Lobo:** *Willie's Huckleberry Cream Liqueur, Godiva Chocolate Liqueur, and Crème de Cacao, shaken and served cold - martini style. (Take The Royals Traverse and cut in at the snow fence, then rip The Palisade's longest lines).*

**Flintlock:** *Captain Morgan Spiced Rum combined with Pumpkin Spice Cream Liqueur, on the rocks and topped with cola. (Rarely skied except on the big snow years. Do you know this runs location?)*

**Paradise:** *Baileys, Frangelico Hazelnut Liqueur, and hot coffee with whipped cream. (Views of The Palisades, Crazy Mountains, Big Belts, and Big Snowy Mountains on a dreamy groomer.)*

**Boomerang:** *A chocolate martini with Stoli Vanilla, Crème de Cacao, and Godiva, with chocolate mint garnish. (Start on Berry's or Continental, then skiers left to Boomer. Or come in from The Secret Powder Glades.)*

**Hell Roaring:** *Tuaca Vanilla Citrus Liqueur served hot with apple cider and topped with whipped cream and a cinnamon stick. (Drop through the trees from The Upper Cole Creak Traverse, then ride Bumps, Big Bumps, and Huge Bumps, down to The Quad.)*
